Embed/Link to a VoiceThread Presentation in Blackboard

You can share VoiceThread presentations in your Blackboard course in two different ways:

URL Web link:

1. Hover your mouse over the VoiceThread you want to share. The overview will pop up.
2. Click on the "Share" button.

Forward thinking. World ready.

3. On the Basic tab, click on the “Link” option on the left.
4. LEAVE the box CHECKED for allowing anyone to view your Vt.
5. Click “Copy Link”. This will copy the link to your computer’s clipboard automatically so that you can paste it into the desired location.

6. Go to your Blackboard course, choose a content area where you would like to share the VoiceThread presentation, then: Click Build Content>>>>Web Link

Forward thinking. World ready.

3. On the Basic tab, click on the “Embed” button on the left.
4. Un-check the boxes for allowing anyone to comment if you want only users to view your Vt.
5. Use the controls to decide what size and shape your embedded VoiceThread will be. The code below will update automatically.
6. Click the button to “Copy Embed Code”. This copies that code to your computer’s clipboard so that you can paste it into the desired location.

7. Go to your Blackboard course where you would like to share the VoiceThread presentation (in Discussion Boards for example) or BuildContent>>Item or ANYWHERE you have access to the Text Editor i.e in Announcements, Discussion Boards, Blogs, Wiki, etc... then:

FORT HAYS STATE UNIVERSITY

LEARNING TECHNOLOGIES

Forward thinking. World ready.

In the text editor, click on the HTML button:

Create Item
A content item is any type of file, text, image, or link that appears to users in a Content Area, Learning Module, Lesson Plan,

* Indicates a required field.

CONTENT INFORMATION

* Name

Color of Name Black

Text

Paragraph Arial 3 (12pt)

HTML CSS

HTML Code View

8. A box will pop up. Paste the HTML code in that box (right button of the mouse then Paste or hit Ctrl+V), then hit Update:

HTML code view - Google Chrome

Secure | https://blackboard.fhsu.edu/webapps/vtbe-tinymce/tiny_mce/themes/advanced/source_editor.jsp?v=9

HTML code view Word Wrap

```
<iframe width=480 height=270 src=https://fhsu.voicethread.com/app/player/?threadId=9107112
frameborder=0 allowfullscreen></iframe>
```

Cancel Update

9. A Yellow frame will show up in the text editor; that's the VoiceThread presentation. You can add text below the yellow frame or above it as far as you have enough space then click submit:

FORT HAYS STATE UNIVERSITY

LEARNING TECHNOLOGIES

Forward thinking. World ready.

The VoiceThread will show up to the students like this:

The screenshot displays a Blackboard LMS interface. On the left is a yellow navigation sidebar for 'Jessica Herber's Sandbox' with items like 'Welcome--Post Intro Here', 'Test', 'Announcements', 'Assignments', 'Discussion Board', 'My Grades', 'Tools', 'FHSU PDF', 'Assignments 2', 'Home Page', 'Instructor Contact', and 'Syllabus'. The main content area is titled 'Assignments' and includes tabs for 'Build Content', 'Assessments', 'Tools', and 'Partner Content'. A 'Voicethread' assignment is shown as a video player. The video player has a blue background with the text 'Intellectual Disabilities' and a large play button icon. The video title is 'Practice (Slide 1 of 27)' and the author is 'JH Jessica Herber'. The video player controls at the bottom show a search icon, a progress bar at 0:00 / 0:00, and navigation arrows.
