Getting Started: ReadSpeaker in the LMS

Once you have successfully completed the implementation of ReadSpeaker within your learning management system, LMS, testing environment, you are ready to Launch!

Change is Ahead

When you add something new to the campus, the campus experiences change. Your students and faculty will need to know what ReadSpeaker is and what it can do for them! The more faculty promote the product and study it's use, the more students will use the product to be successful. In this zip-packet you will find:

1. Flyer for posting
2. Email Messaging
4. LMS Support Page
5. Faculty and Student Introductory Videos
6. Workshop Training Tutorial PowerPoint
