

Sharing VoiceThread in Blackboard

You can share VoiceThread presentations in your Blackboard course in two different ways:

1-URL Web link:

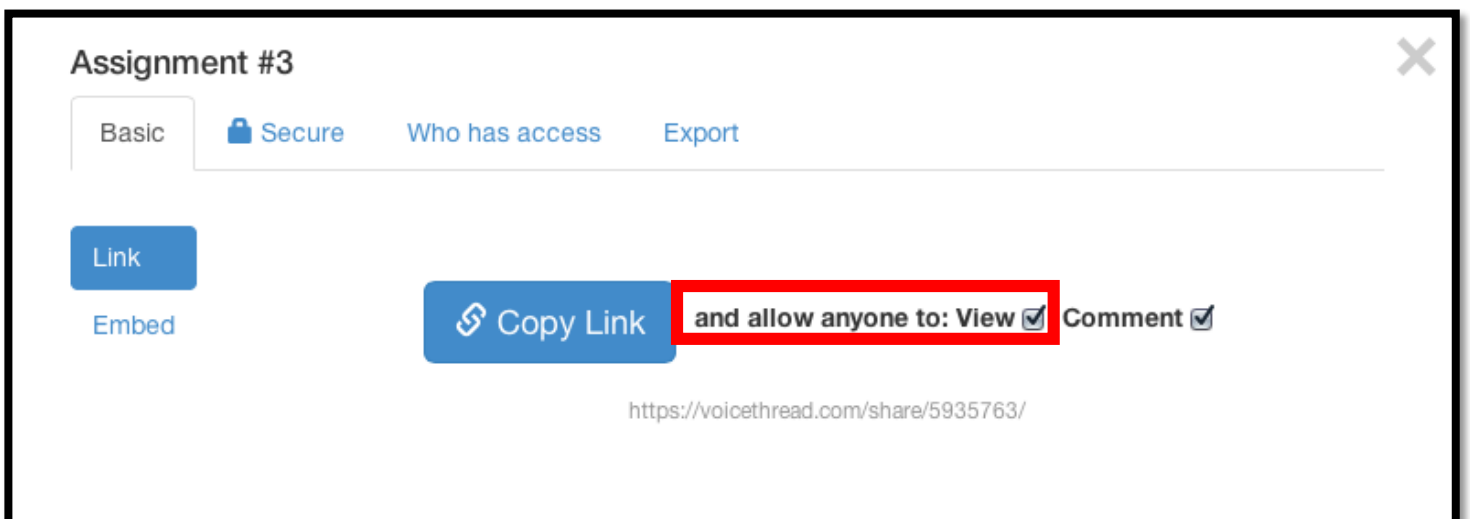

1-Hover your mouse over the VoiceThread you want to share. The overview will pop up.

2-Click on the “Share” button.

3-On the **Basic tab**, click on the “Link” option on the left.

4-LEAVE the box **CHECKED** for allowing anyone to view your Vt.

5-Click “Copy Link”. This will copy the link to your computer’s clipboard automatically so that you can paste it into the desired location.

Forward thinking. World ready.

6-Go to your Blackboard course, choose a content area where you would like to share the VoiceThread presentation, then:

Click Build Content>>>>Web Link

7-Fill out the title and in the URL box, click on paste (right button of the mouse then Paste or hit Ctrl+V), then hit Submit:

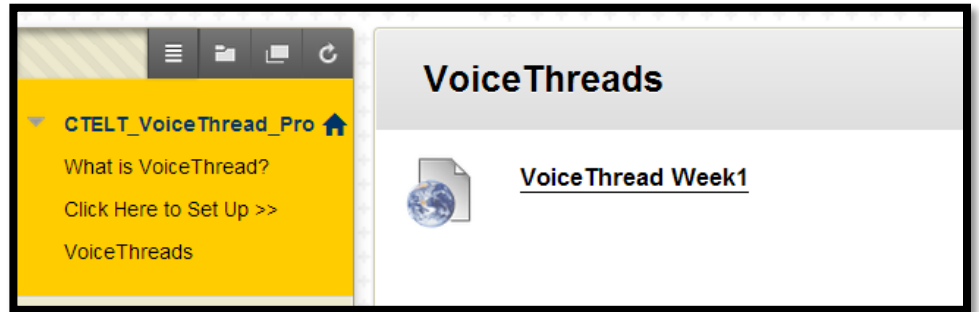

FORT HAYS STATE UNIVERSITY

LEARNING TECHNOLOGIES

Forward thinking. World ready.

The link to the VoiceThread will show up to the students like this:

2-HTML Embed:

1-Hover your mouse over the VoiceThread you want to share. The overview will pop up.

2-Click on the “Share” button.

3-On the **Basic tab**, click on the “Embed” button on the left.

4- Un-check the boxes for allowing anyone to comment if you want only users to view your Vt. [Learn more here.](#)

5- Use the controls to decide what size and shape your embedded VoiceThread will be. The code below will update automatically.

6- Click the button to “Copy Embed Code”. This copies that code to your computer’s clipboard so that you can paste it into the desired location.
